Fostering Communities of Trees and People

Obligations as an ANBI to the Dutch Kamer van Koophandel (Chamber of Commerce).

In the Netherlands registration in the Commercial Register is compulsory for every company and almost every legal entity. Stichting Sol Nascente in this case is a legal entity and has been registered by the Netherlands Chamber of Commerce in the Commercial Register.

For many companies and legal entities, depositing the financial statements is a legal requirement:

It states that its obliged to deposit the financial statements for:

*associations and foundations with a company that has a turnover of at least € 6 million per year in 2 consecutive financial years; Please Note: public benefit organizations (ANBI's) have been required since 1 January 2014 to publish certain data on an internet site. This obligation to publish is independent of the obligation to deposit the financial statements.*

As Stichting Sol Nascente has a turnover of far less than € 6 million for the financial year of 2019 there is no legal obligation to deposit the financial statements at the Netherlands Chamber of Commerce.
